

THE PLAYBOOK

Your worst posture is one you can't feel.

AI Ergo scores it, joint by joint, from one video.

4 rules · 2 min read · save it

HOW IT WORKS

One clip in

Upload a 12-second video. AI Ergo tracks 36 joints and 10 body angles, every second, left and right side scored separately.

→ next: Where the shift actually hurt

Where the shift actually hurt

Share of the lift cycle each joint spent in the red.

→ next: Fix the joint, not the whole station

Fix the joint, not the whole station

- Neck
